

AGENT NOMINATION APPLICATION FORM

This form is to be used by current applicants for admission to University of Canberra (UC) courses ~~namely~~ where the applicant wishes to nominate or change an agent to assist with an existing application to study at UC. Current UC students who wish to change courses do not need to use this form and can apply for alternative courses directly [online](#).

Please note the following conditions

- This form must be completed in full and submitted by the applicant (student) by email from the same email address associated with the student's university records
- The University will consider agent nomination requests but cannot guarantee that they will be approved. Incomplete applications, applications that are not received from the applicant (student), and applications received after an applicant has already accepted an offer of admission will not be processed

Completed form should be sent to international.agents@canberra.edu.au
